Subject: [External] Royal Crownz Transport Services, LLC Extension Request
Date: Thursday, January 27, 2022 7:57:57 PM

Hello,

To complete the compliance requirements, I requested an extension until January 31, 2022. At this time, I am still working to get things in order and completed to comply with the SC Public Service Commission (PSC). Unfortunately, I haven't been able to schedule the inspection to have completed by January 31st, due to some unforeseen circumstances. If it's possible, I'd like to request a second extension until February 28, 2022.

I should have everything completed by that date but, I'd like to have a little more time just in case.

This extension request is in reference to:

- Royal Crownz Transport Services, LLC
- Docket Number: 2021-246-T
- Order Number: 2021-557
- Extension Request Date: February 28, 2022

Thanks,
